NOTICE TO THE COMMUNITY

Extension of Virtual Mode: Administration Office

Virtual Work Mode is extended to June 30th, 2021.

Atikameksheng Emergency Response Team considered the following when making their recommendation: the consistency of Covid-19 cases in the Sudbury & Districts area, and the Covid-19 case trends on the variants of concern and overall community safety.

Services in the Band Administration and Health Office will continue to be limited to reception and essential services. The virtual work mode has been extended to June 30th, 2021. Majority of staff will continue working from their home offices and will still be available to provide services remotely via telephone, email and virtual meetings. Please continue to call the front desk and they will direct your call.
